*Mangal dosh is present due to the position of mangal in the fourth house in the boy's horoscope. However the position of rahu in the girl's horoscope neutralizes this effect. There is no mangal dosh in the girl's horoscope.*

*The points obtained in the guna matching are more than 50 %. Hence the match is considered good.*

*Note : Above Conclusions are based on Avakhada Chakra matching and mangal dosh considerations.*
