

MAY 2008

TAURUS (VRISHABHA)

Sign lord Venus is in twelfth house and you may be carried away with the situation around you. There may be increase in responsibilities day-by-day and your management skill may be tested.

1st To 3rd May: Saturn is becoming directed and your planned work may get appreciation. But intellectual discussions may be fruitless.

5th To 8th May: Rahu entering into ninth house may deal with Foreign matters and change in your day to day activity. Your modern thinking may get justice.

9th To 11th May: Retrograde Jupiter may create remoteness from relatives and friends. Tensions related to money matters.

12th & 13th May: Important decisions may be executed with courage. Profitable day.

14th & 15th May: You may feel relaxed and enjoy luxury comfort.

16th To 20th May: Opportunities that were lost before may come back to you. Maintain continuity of work. Be careful in big investments.

21st May: Jupiter Harshal benefic aspect may create drama and favourable changes at the place of work and responsibilities.

22nd May: Saturn Sun square aspect may lead to discussions and negotiations related to worldly matters.

23rd & 24th May: There may be anguish because of matters of previous days. You may have to face disagreeable decisions.

25th May: Do not mix up your personal matters with social ones. Short journeys and exchange of opinions may waste your time.

26th May: There may be serious turn to small questions as mercury is becoming retrograde. Try to face the challenges.

At the end of the month answers may be found out for the questions in right time.

Auspicious days: - 2, 3, 15, 16, 25, 26, 28, 29

Inauspicious days: - 4, 5, 23, 24, 31
